Throughout my career in warehousing, forklift & machine operating, and food service,, reliability & work ethic have led me to receive promotions which came with new responsibilities. I'm a team player who's eager to learn and willing to work overtime.

EXPERIENCE

Triad Manufacturing, St. Louis, MO – Saw Operator/Warehousing

March 2024 - August 2024

Responsible for safely operating the wood saw to build pallets and units for customers. Transitioned into warehousing where I was responsible for the coordination of units and resources for manufacturing lines as well as for delivering units to various areas within the warehouse and setting up lines for successful accomplishment of quotas. Utilized computers and RF Scanners to meet departmental productivity and accuracy standards.
