

QUICKLY FILL PILL CARD DISCREPANCIES IN SECONDS

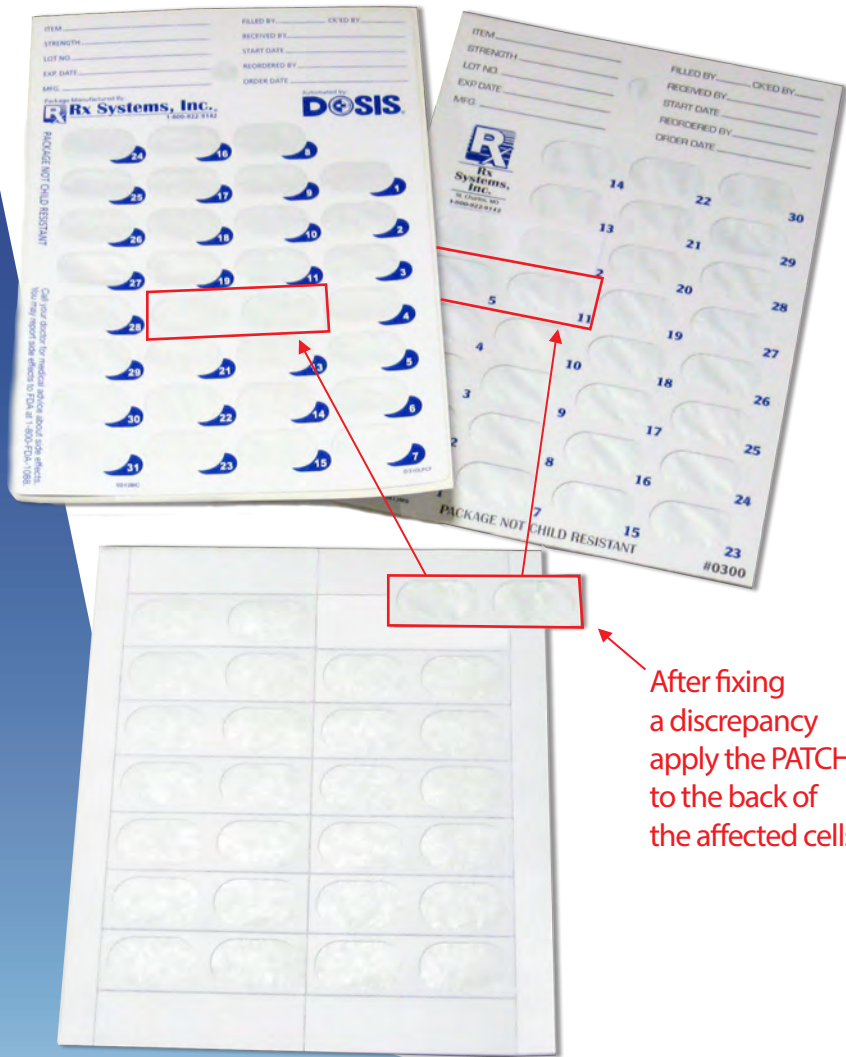

Need to Add a pill?

Remove an extra pill?

The PATCH will save you time and money. 

The Patch is Cold Seal and designed 2-across to allow for more exposed adhesive to insure the best seal.

Pill Card PATCH

After fixing a discrepancy apply the PATCH to the back of the affected cells.

The PATCH works on 30 and 31 count cards. Heat Seal, Cold Seal, Synmed & DOSIS cards.
